Exploring the World of Science

All Proceeds Benefit Boyceville Science Olympiad. Past outings have helped fund:

- Filament for 3D printer
- Registration fees for tournaments at UW-River Falls, Belleville & Medford HS
- Travel and hotel costs for large invitational in Ohio
- Entry fees to museum/university behind the scenes tour in Ohio
- Arduino microcontrollers for student research and events
- Various wheels, axles, and other build materials
- Hosting one of the largest invitational tournaments in the nation in December
- Hosting one of only two MS regional tournaments in the state in February

Raffle prizes will also be available, including:

- **New 50" Flat Panel TV**
- Various baskets
- Gift cards from local restaurants and stores
- Other great prizes!

Interested individuals can sign up below as an individual or in groups.

Walk-in signups as individuals or groups on Saturday are accepted!

More information, including sponsorship opportunities, are available by taking one of the packets available to the left on the wall.

Any questions can be directed to Andy Hamm, andyha@boyceville.k12.wi.us

Hope to see you at the Menomonie Golf & Country Club on Saturday, July 21st!
