

4th Annual Boyceville Science Olympiad 4-Person Golf Scramble

Who: Any interested golfers! Open to everyone!

What: 4 person 9-hole golf scramble, raffle prizes, picnic-style meal after golf

Where: Menomonie Golf & Country Club, 802 Heller Drive, Menomonie (715) 235 - 3595

When: Saturday, July 21, 2018, 9:00 AM Shotgun Start

Why: All proceeds benefit the Boyceville Middle School and High School Science Olympiad

Cost: \$25 per golfer, with checks payable to Boyceville Science Olympiad. **Anybody wishing to reserve a motorized golf cart must call the Menomonie Golf & CC for a reservation and these carts are only available on a first-come, first-serve basis.**

On-site registration will be available beginning at 8:00 AM on Saturday morning. Individuals who do not have an entire team are still encouraged to participate as they will be joined up into teams prior to the start of golf.

Pre-Registration (individual or team) is encouraged to ensure a spot before the tournament fills up and can be sent with payment to:

Andrew Hamm
Boyceville High school
1003 Tiffany Street
Boyceville, WI 54725
andyha@boyceville.k12.wi.us

There will also be numerous raffle prizes with all proceeds benefiting Boyceville Science Olympiad. Uses for the funds raised include:

- Building supplies for students, including VEX* robotics kits, balsa wood, CA glue, lumber, aluminum, wheels, motors, wiring, batteries, PVC piping, balls, various electrical components, and other supplies
- Tools for building various engineering projects, including microcontrollers and other mini-computers
- Support a trip for 40-60 students to a national-style Invitational Tournament in another state including a tour of an area university and/or museum facilities (in the past we have toured the National Museum of the US Air Force, Wright State University, and the Great Lakes Science Center in Cleveland, OH)
- Computer software for student research for events as well as student studying
- Textbook and other physical study resources in numerous STEM-related areas not traditionally addressed in a high school curriculum as we work towards building a student-centered STEM library
- Physical model equipment (MOLYMOD*, mini-toobers, etc.) for STEM events including Protein Modeling, Material Science, Forensics, and Chemistry Lab
- Pay for costs associated with hosting the annual Science Olympiad Invitational Tournament in Boyceville, which included 102 teams from five states last December. This Science Olympiad Tournament in Boyceville also benefits students in Menomonie, Chippewa Falls, Colfax, Elk Mound, Spring Valley, St. Croix Central, Bloomer, and many other area schools who participate.

We also offer two sponsorship opportunities for you and/or your business (if applicable):

- You can sponsor a golf hole at the white (\$50) or purple (\$100) or bulldog (\$150) level. Hole sponsorship includes a sign with your business name and logo at the sponsored hole (white = small sign, purple = large sign, bulldog = multiple signs) and inclusion on the sponsorship banner and tournament program, as well as thanks and the gratitude of the Boyceville Science Olympiad Team. Your business will also be included in the tournament program for the 12th Annual Boyceville Science Olympiad Invitational Tournament on Saturday, December 1, 2018 at Boyceville High School. Last year's Science Olympiad Invitational Tournament was one of the largest Science Olympiad Invitational Tournament in the nation with 102 teams from five states participating!
- You can also sponsor an individual (\$25) or a team of four golfers (\$100) to participate in the tournament. Simply send in the registration form to secure their spots in the tournament field.
