

1st Annual Boyceville SCIENCE OLYMPIAD

Exploring the World of Science

Coaches & Students Clinic

Come learn more about Science Olympiad as well as the new events for 2019-2020. Presentations and breakout sessions will be led by veteran coaches and event supervisors. Sessions available will include:

- Presentations on new events
- Coaching tips and strategies from veteran coaches
- Roundtable discussions including students and coaches
- Workshops for new coaches
- Presentations on supervising events
- A variety of different demonstrations
- The opportunity for students and coaches to try building and testing devices
- Anything else recommended by coaches and students

This workshop is geared towards all science teachers and Science Olympiad coaches and students, both new and veteran! Share, gather, and brainstorm ideas to make Science Olympiad even more exciting for your students!

Date: Saturday, October 19, 2019 9:00 AM - 4:00 PM

Location: Boyceville Middle/High School, Boyceville, WI

Cost: \$75 per adult coach, \$25 per student (up to five per paid adult)

Coaches and adults associated with new (within two years) teams can attend at no cost

Registration Includes:

- Registration materials and handouts
- Snacks and catered lunch
- Building materials for on-site construction
- Sample tests/event activities from actual 2019 competitions that you can take back to your students in preparation for the upcoming season!
